Hello Everyone

Whew—where does the time go? Seems like we were only just welcoming everyone back to school.

Parent Consultations take place this week so After School Club will not be in the dining hall on Wednesday or Thursday. Outside play will be on the lower KS2 playground. Collect from the usual place.

The staff team are looking forward to the children settling in nicely after half term so we can re-start our Super Star Awards.

Knutz Club is looking forward to working with the School in the first half of Spring Term as part of [Feeling Good Week 2024](#). We have some ideas to help improve the wildlife area. Fingers crossed our application for funding is successful!

Evenings will be getting darker after Half Term but that means we will soon be able to do one of our After School Club favourite activities 'Bowling in the Dark'.

Parent consultation

Parent Consultations take place this week and we'd just like to remind everyone that Club will be open until 17:45.

ALWAYS let us
know if your
child will miss
their club
session

Planning

Sheena has been working hard on our Play Plan for the year. Over half term we'll put the plan up on our website.

We will continue to play outside as much as possible, so do remember children will need a jacket or coat.

Our new shed will be delivered over half term, too. There will be will be more room for toys and playthings.

If your children have ideas for new resources do let us know!

Best wishes from

the Knutz Club Team*
